### Notes to accompany Annual Internal Audit Report 2019/20

#### F. Petty cash

The council does not have any petty cash expenses and does not hold a petty cash balance, therefore this test is not applicable.

#### H. Asset register

The council maintains a list of assets held, including the cost of each asset.

The figure shown in box 9 of the Accounting Statements for 2019/20 differs from the cost of the assets and the register does not provide a breakdown of the figure shown in the Accounting Statements. The council policy is to review the value of assets each year and this cannot be carried out if individual carrying values are not shown in the asset register.

We recommend that an investigation is undertaken into how the total in the Accounting Statements was calculated and that the register shows the breakdown of this figure, allocated between assets.

#### K. Limited Assurance Review

The council does not certify itself as exempt.
